

Lecture Series

Images of the Mind

Various members of ETH's Turing Centre (with backgrounds ranging from computer science to philosophy) will present and discuss crucial concepts, methods, challenges, and limits in our investigations of the mental.

24 September 2018
PD Dr. Norman Sieroka
Introduction and
Phenomenological Minds

19 November 2018
Prof. Dr. Michael Hampe
Universal Minds
(Panpsychism)

8 October 2018
Prof. Dr. Hans-Johann Glock
Animal Minds

3 December 2018
Prof. Diane Proudfoot
Testing Minds (the Turing test)

22 October 2018
Prof. Dr. Thomas Hofmann
Computational Minds

17 December 2018
Prof. Dr. Jack Copeland
Conscious Minds

5 November 2018
PD Dr. Harald Atmanspacher
Quantum Minds

Each lecture will take place on Monday from 17:15 to 18:45 at the ETH Zurich, HG D 1.1, Rämistrasse 101.

The lecture series is open to the public.
